

Four Time National Champions

Hi! My name is Nicki Hale and I am the owner and Director for the Competitive Edge Power Dance National Championship team. I have been a performer for over 25 years and was fortunate enough to perform with the Dallas Cowboys Cheerleaders for 4 of those years. Competitive Edge is the most unique competitive dance team you will find in Texas. What makes us unique? We actually cater to the athlete and her schedule and the parent's and their schedules. Flexibility without jeopardizing the teams' ability to perform is the key.

Competitive Edge is structured to round out the athlete's ability to perform. It is one thing to learn a skill and memorize steps. It is quite another to be able to "perform" them. This team will perform in categories such as, but not limited to;

Acrobatic/Gymnastics	Routine with 50% tumbling passes
Ballet	Technique and classical steps
Character	Portray character – Movies, Theater, TV
Hip-Hop	Sharp moves
Jazz	Technique
Lyrical	Routine using balance, flexibility and control
Modeling	Runway style with clothing props
Modern	Interpretive dance
Musical Theater	Broadway style
Open Class	Variety of styles together
Pom Pon	Precise use of Pom Pons
Pro-Am	Solo and Duets only – 20 years and older
Song & Dance	50% song and 50% dance

NEW

Competitive Cheer for the up-coming season 2005-2006. Pre Register!!

Teams consist of 6 dancers or more and the sky is the limit for individual competitors who want to try it on their own. So, dance with your team and then compete on an individual level if you like. I created Competitive Edge to cater to the athlete. I want to give them unlimited options, expand their athletic abilities and heighten their performance skills through positive reinforcement.

If you have a few friends that want to dance as well, you receive nice cash referrals for each additional registered dancer and even have the opportunity to receive free tuition if you bring in 5 dancers or more! Remember. No experience is necessary. There is room for all levels of skills.

Thank you for taking time to learn a little about my program for young performers. Feel free to call me with any questions. I would love to hear from you!

Live on the Competitive Edge
